**Re:** Monthly Police Report September 2015

---

During the month of August 2015 the La Pointe Police responded to the following:

198	Incidents/Complaints
18	Citizen Assists
4	Parking Citations
2	Accidents
2	Civil Process
1	False Alarm
5	Animal Calls

In August fashion, it was really busy for the Officers handling 198 Incidents and Complaints which was more than July. With School starting and the winding down of summer, I think the slowdown is coming for the island.

In reference to last month's mentions of enforcing the noise ordinance, I am happy to report that there have been few infractions that I am aware of. Two warning letters were sent with two different establishments receiving one.

At the time of this report, the program "Driver Sober, Get Pulled Over" event runs thru September 7, 2015. This is a yearly grant program the department has been involved with for several years. It is our chance to get into a drawing for an equipment grant. There are things that are in need of replacement, and these grants will cover it. Let's hope our department gets drawn.

On August 27, 2015, I attended the law enforcement luncheon at the conclusion of the Governors Conference on Highway Safety. I did learn that our department was not drawn for the Click it or Ticket program for a grant; there are two more chances this year with programs to get one. I however, was lucky enough to be awarded an important piece of equipment while attending. The department was placed in a drawing for equipment and our department was awarded a printer for our squad car; this was something that I was going to purchase this fall for our new squad car anyway. I was also given a set of LED flameless road flares for our squad.

As always, if you have any questions for me, please stop in and visit my office.
